Matthews, a young man of twenty-four or five years in the fall tember, and broke one of his legs tember, Mr. Thomas A. Matthews, a young man of twenty-four or five years in the fall that the fa

THE Eclectic of Wednesday pays the collowing compliment to Dr. Richard er that he would not need it—he having a watch of a friend's entrusted to him to a watch of a friend's entrusted to him to H. Taylor, secretary of the health board:

"We have examined with much interest the mortuary report for the month of October, kindly furnished us by the accomplished secretary of the board of bealth, Richard H. Taylor, M. D. It is arranged with much care, and shows the touch of the expert. Richard H. Taylor is no ordinary follower of Galen or Esculapins, but possesses a clear, comprehensive mind, and in the school of medicine a freethinker, whose conceptions of the science of surgery and medicine is based upon original creations of thought—no accepting deductions from other minds whose theories might antagonize his own originalities. Born a physician, with a cool head, steady nerve, and large experience, the energetic secretary of the board of health is an ornament to the profession, and the proper person for the profession, and the profession and the proper person for the profession, and the profession and the proper person for the profession, and the profession and the proper person for the profession, and the profession and the proper person for the profession, and the profession and the professi the very best interests of Memphis-our sanitary condition."

partence, the energests consistency of the partence, the energests consistency of the partence of the partence of the proper person for the present to mention them, would be a guarantee for their respectability, with

he name of Taylor, as well as serving some of whom he indulged in several friendly games of cards, and so far as we have been able to learn wherever there was any stake played for invariably came off winner. The strictest and closest search does not disclose the incithat he entered a gamblinghouse or that he was intoxicated during his stay here. Last night there was a big house of from the tweuty-second to the tweuty-our best people at the Theater to witness sixth of September his every act is easily "R. George L. Fox in his great specialty, "taced, and we have no trouble in find-which the executes with such interesting ciated with him every day. But on the which he executes with such interesting clated with him every day. But on the sage he was considered perfect in this changes, and we lose all trace of him. In the sudicrous and comic character, but, to ludge by his efforts last night, one would consider him matchless. He is truly the with whom he had dealings, satchel in mimic prince, and never did a Memphis hand, as he started on his way to the andience seem better pleased or more theroughly infused with the spirit of enjoyment and mirth than did the delighted one of last night. As we had stated,
the Humpty Dumpty troupe is the largest that ever visited Memphis, and gives
more excellent specialties than are usually attached to this most entertaining
made his appearance on board of herally stached to this most entertaining pantomime. The plece is good from beginning to end, and nothing short of a notice much longer than we have space and were not at all uneasy, even after for in this issue would do justice to the varied merits and improved excellencies successive boats. His father thought of Humpty Dumpty as presented last that he had taken a trip to Cape Girarnight by Mr. Fox and his accomplished dean to visit his mother, who lives there.

The control of the co

Their engagement has been, unfortunately, canceled, but they may arrange matters so as to the superced disposed of, in this city on the twenty-sixth day of September, by some party or parties who knew his babits and superced that is novel and entertaining to the Humpty Dumpty, which is sixth day of September, by some party or parties who knew his babits and superced that is novel and entertaining to the Humpty Dumpty, which is sixth day of September, by some party or parties who knew his babits and superced the superced that is novel and entertaining to the Humpty Dumpty, which is sixth day of September, by some party or parties who knew his babits and superced that is novel and entertaining to the Humpty Dumpty, which is sixth day of September, by some party or parties who knew his babits and supposed of, in this city on the twenty-sixth day of September, by some party or parties who knew his babits and supposed that is novel and commercial of the Humpty Dumpty, which is sixth day of September, by some party or parties who knew his babits and supposed that is novel and commercial of the Humpty Dumpty, which is sixth day of September, by some party or parties who knew his babits and supposed of, in this city on the twenty-sixth day of September, by some party or parties who knew his babits and supposed the sixth day of September, by some party or parties who knew his babits and supposed of, in this city on the twenty-sixth day of September, by some party or parties who knew his babits and supposed of, in this city on the twenty-sixth day of September, by some party or parties who knew his babits and supposed the sixth day of September, by some party or parties who knew his babits and supposed the sinterval of the sixth day of September, by some party or parties w

Au Unknown Negro Burgiar Enters Several Dwellings at Lagrange and Is Finally Shot to Death by a Citimen.

About three o'clock yesterday morning Mr. J. J. Swift, of Lagrange, was awakened by a noise, and discovered an unknown person raising the window mear his bed. Quickly seizing his pistol and leaning over the edge of the bed, Mr. Swift pulled the trigger and simultaneous with the report of the pistol, the burgiar fell from the window. The neighbors being aroused by the report neighbors being aroused by the report of the pistol hastened to Mr. Swift's residence and with him discovered the blieding form of a negro with a bullet in his forehead, lying unconscious by the side of the house where he fell. The neincloses. Press, vice-president, M. Halstead, of the Cincinnati Commercial; directors, Joseph Medill, of the Chicago Irbinase; Richard Smith, of the Cincinnati Gazette; W. N. Haldeman, of the Louisville Courier-Journal; J. G. Siebenick, of the Pittaburg Chronicle, and a coroner's jury being summoned held an inquest and returned a verificial with the above facts. The gentlemen from Osseoia, Arkarassa, have gottlemen from Osseoia, Arkarassa, have been to the past several weeks endeavoring to discuss and a half from of the most mysterious affairs that has secured in the police history of Memphis Avaitanahe, and Harry W. Farran, of the Chicago Journal; secretary, H. E. Baker, of Detroit.

The Jackson Dispatch of Friday says that "a few days since a party of gentlemen, among whom was our mayor. Hon. John A. Arrington, visited the lakes in Lauderdale county. Arriving at their camp-ground, Dr. Arrington, in handling an old door which he desired to serve as a table lett foll and in calculations of the case for some time, we have studiously refrained from making at their camp-ground, Dr. Arrington, in handling an old door which he desired to serve as a table lett foll and in calculations of the case for some time, we have studiously refrained from making at their camp-ground, Dr. Arrington, in handling an old door which he desired to serve as a table lett foll and in calculations of the case for some time, we have studiously refrained from making the character of the police history of the window into the bedroom when he mount upon which he desired to serve as a table of the most mysterious affair:
